UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF TEXAS
CORPUS CHRISTI DIVISION

OPINION AND ORDER GRANTING MOTION FOR CONTINUANCE

Defendant moved for a continuance of the final pretrial conference and jury selection and trial because counsel for the Defendant was in a capital murder trial that was expected to last approximately two weeks (D.E. 15). Moreover, because of the capital murder trial the Defendant and counsel had not yet had adequate time to review the discovery discuss the Defendant's options (D.E. 15). The United States was unopposed to the continuance.

Under the Speedy Trial Act, a district court may grant a continuance and exclude the resulting delay from the time in which a trial must commence if it makes on-the-record findings that the ends of justice served by granting the continuance outweigh the public's and defendant's interests in a speedy trial. 18 U.S.C. § 3161(h)(7).

Having considered the Defendant's motion, the Court finds that the failure to grant a continuance in this case would deny counsel for the defendant the reasonable time necessary for effective preparation, taking into account the exercise of due diligence.

Accordingly, the Court finds that the ends of justice are served by granting a continuance in this case and outweigh the best interests of the public and Defendant in a speedy trial, and the period of the continuance is excluded from speedy trial computation.

The Court **GRANTS** the Defendant's motion (D.E. 15) and **CONTINUES** the final pretrial conference until **February 15, 2019, at 8:00 a.m.** before undersigned and schedules the jury selection and trial for **March 4, 2019, at 9:00 a.m.** before Hon. Nelva Gonzales Ramos.

ORDERED this 28th day of January, 2019.

UNITED STATES MAGISTRATE JUDGE
